If accepted, I will honestly and conscientiously oblige myself to comply with the rules and regulations of the Charity Newsies. Furthermore, I will give reasonable time to the Newsies' activities and will carry out those duties assigned to me. I authorize the Charity Newsies to review credit, criminal, and other appropriate records to determine my worthiness for membership. I certify that I am a citizen of the United States and at least 21 years of age.

The Board of Trustees of Charity Newsies has directed the Membership Committee and the Probationary Committee to outline a list of activities required of probationary members to generate awareness of what is expected from each member of the Charity Newsies. These activities are: the annual paper sale, home visits, membership meetings, the Clothe-A-Child Auction, and working at headquarters.

I understand all of the above and also acknowledge that these activities are my obligation not only during Probationary Status of Charity Newsies, but also that they are my continuing obligation of membership.
